MINIMUM SPECIFICATIONS AND REQUIREMENTS (Continued)

Termination for Default:

- a. If the Contractor refuses or fails to perform any of the provisions of the Agreement with such diligence as will ensure its completion within the time specified in the Agreement, or any extension thereof, or commits any other substantial breach of the Agreement, the Procurement Officer may notify the Contractor in writing of the delay or nonperformance and, if not cured in ten (10) days or any longer time specified in writing by the Procurement Officer, such officer may terminate the Contractor's rights to proceed with the Agreement or such part of the Agreement as to which there has been delay or a failure to properly perform.
- b. The Unified Government shall pay the Contractor the costs and expenses and reasonable profit for services performed by the Contractor prior to receipt of the notice of termination; however, the Unified Government may withhold from amounts due the Contractor such sums as the Procurement Officer deems to be necessary to protect the Unified Government against loss caused by the Contractor because of the default.
- c. Except with respect to defaults of subcontractors, the Contractor shall not be in default by reason of any failure in performance of the Agreement in accordance with its terms if the Contractor has notified the Procurement Officer within fifteen (15) days of the cause of the delay and the failure arises out of causes such as acts of God, acts of the public enemy, act of the Unified Government and any other governmental entity in its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, or other labor disputes. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, the Contractor shall not be deemed to be in default, unless the services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit the Contractor to meet the contract requirements. Upon request of the Contractor, the Procurement Officer shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, the Contractor's progress and performance would have met the terms of the Agreement, the time for completion of the Agreement shall be revised accordingly.
- d. If, after notice of termination of the Contractor's right to proceed under the provisions of this clause, it is determined for any reason that the Contractor was not in default under the provisions of this clause, and both the Unified Government and the Contractor agree, the rights and obligations of the parties shall be the same as if the notice of termination had not been issued.
- e. The following acts committed by the Contractor will constitute a substantial breach of the agreement and may result in termination of the agreement.

The Procurement Officer shall give written notice of the termination to the Contractor specifying the part of the Agreement terminated and when termination becomes effective.
- b. The Contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination the Contractor will stop work to the extent specified.
- c. The Procurement Officer shall pay the Contractor the following amounts:
 - (1) All costs and expenses incurred by the Contractor for work accepted by the Unified Government prior to the Contractor's receipt of the notice of termination, plus a reasonable profit for said work.

- d. Anticipatory profit for work and services not performed by the Contractor shall not be allowed.

Disputes:

- a. All controversies between the Unified Government and the Contractor which arise under, or are by virtue of, the Agreement and which are not resolved by mutual agreement, shall be decided by the Procurement Officer in writing, within thirty (30) days after a written request by the Contractor for a final decision concerning the controversy; provided, however, that if the Procurement Officer does not issue a written decision within thirty (30) days after written request for a final decision, or within such longer period as may be agreed upon by the parties, then the Contractor may proceed as if an adverse decision had been received.
- b. The Procurement Officer shall immediately furnish a copy of the decision to the Contractor by certified mail, return receipt requested, or by any other method that provides evidence of receipt. Any such decision shall be final and conclusive, unless fraudulent, or the Contractor brings an action seeking judicial review of the decision in the Wyandotte County District Court.
- c. The Contractor shall comply with any decision of the Procurement Officer and proceed diligently with performance of the Agreement pending final resolution by the Wyandotte County District Court of any controversy arising under, or by virtue of, the Agreement, except where there has been a material breach of the Agreement by the Unified Government; provided,

MINIMUM SPECIFICATIONS AND REQUIREMENTS (Continued)

however, that in any event the Contractor shall proceed diligently with the performance of the Agreement where the Purchasing Director has made a written determination that continuation of work under the contract is essential to the public health and safety.

- d. Notwithstanding any language to the contrary, no interpretation shall be allowed to find the Unified Government has agreed to binding arbitration, or the payment of damages or penalties upon the occurrence of any contingency. Further, the Unified Government shall not agree to pay attorney fees and late payment charges.

Interest Payable on Claims:

Pursuant to Section 9-301 (Interest) of the Procurement Code, interest on amounts ultimately determined to be due to a contractor of the Unified Government shall be payable at the statutory rate applicable to judgments from the date the claim arose through the date of decision or judgment, whichever is later.

All property rights, including publication rights, in all interim, draft, and final reports and other documentation, including machine-readable media, produced by the Contractor in connection with the work pursuant to the Agreement, shall be in the Unified Government.

Availability of Records and Audit:

The Contractor agrees to make available at the offices of the Unified Government at all times during the period set forth in the Request for Proposals and the term of the Agreement any of the Records for inspection, audit, or reproduction by any authorized representative of the Unified Government. Except for documentary evidence delivered to the offices of the Unified Government, the Contractor shall preserve and make available to persons designated by the Unified Government its Records for a period of three (3) years from the date of final payment under the Agreement or until all audit questions have been resolved, whichever period of time is longer.

No Limit of Liability:

Nothing in the Agreement shall be construed to limit the Contractor's liability to the Unified Government as such liability may exist by or under operation of law.

Indemnification:

Contractor shall indemnify, defend, and hold the Unified Government harmless from and against all claims, losses, damages, or costs arising from or in any way related to Contractor's breach of the foregoing warranties.
