Article I. General Information

Section 1.01 *Method of Source Selection*

Section 29-154 of the Unified Government of Wyandotte County / Kansas City, Kansas Procurement Code and Regulations allows for the use of Competitive Sealed Proposals when it is determined in writing that Competitive Sealed Bidding is either not practicable or not advantageous to the Unified Government.

Section 1.02 *Purpose*

The Unified Government of Wyandotte County/Kansas City, Kansas, Department of Human Resources is accepting competitive proposals from qualified individuals, firms, partnerships and corporations for the purpose of providing cyber liability insurance and security.

Vendors providing such services must meet the requirements, as specified herein.

Solicitations from qualified minority, and women owned businesses, firms and individuals are encouraged by the Unified Government of Wyandotte County/Kansas City, Kansas. This encouragement does not infer preference and all solicitations will be evaluated equally.

Section 1.03 *Existing Environment*

The Unified Government of Wyandotte County/Kansas City, Kansas is a consolidated city/county government serving all of the citizens of the City of Kansas City, Kansas, and Wyandotte County. The City of Kansas City, Kansas is located entirely in Wyandotte County and, along with ten other Kansas and Missouri counties, makes up the Metropolitan Kansas City Region with a population of approximately 1.6 million. The Cities of Kansas City, Kansas and Kansas City, Missouri are separated by the Kansas-Missouri border and are independent of one another in all aspects.

Required Review

Offerors should carefully review this solicitation for defects and questionable or objectionable matter. Comments concerning defects and objectionable material must be made in writing and received by the procurement officer at least ten days before the proposal opening. This will allow issuance of any necessary amendments. It will also help prevent the opening of a defective solicitation and exposure of offeror's proposals upon which award could not be made. Protests based on any omission or error, or on the content of the solicitation, will be disallowed if these faults have not been brought to the attention of the contracting officer, in writing, at least ten days before the time set for opening.

Protests and Appeals

Any protest or appeal of the award of the Agreement must be in writing and received by the Director of Purchasing within seven (7) days of the County Administrator's decision. The written communication must list the specific areas of protest and suggested remedy. The decision of the Purchasing Director on any protest or appeal shall be final.

Section 1.06 *Inquiries - Clarifications*

Any questions regarding the Request for Proposal shall be directed in writing to the attention of the buyer via fax or email, to the Office of Procurement and Contract Compliance ATTN: Kelly Regan kregan@wycokck.org , Room 649, 701 North 7th Street, Kansas City, Kansas 66101. All questions must be received no later than the date established in the project timetable. Telephone conversations must be confirmed in writing by the interested party.

Two types of questions generally arise. One may be answered by directing the questioner to a specific section of the RFP. These questions may be answered over the telephone. Other questions may be more complex and may require a written amendment to the RFP. The procurement officer will determine the appropriate method to be used.

Section 1.07 *Amendments & Addendums*

Amendments and addendums will be made by addendum issued only to vendors known to have the Request for Proposal.

Section 1.08 *Alternate Proposals*

Deviations from the requirements and specifications are permitted but must be noted separately explaining the nature of the deviation. When listing deviations, refer to the specific provision(s) to which the deviation pertains. Unless a deviation is expressly stated, the proposal shall be evaluated as if it meets ALL specifications, and the company submitting the proposal shall be required to perform all services as required by the specifications.

Section 1.09 *Implied Requirements*

By submission of the proposal, the Offeror certifies all services proposed meet or exceed all requirements as set forth in the Request for Proposals, unless the proposal specifically states otherwise. Any products and services that are not specifically addressed in the RFP but which are necessary to provide functional capabilities proposed by the offeror must be included in the proposal.

Section 1.10 *Project Timetable & Contract Term*

Minor informalities may be waived by the procurement officer if determined that they:

- do not affect responsiveness,
- are merely a matter of form or format,
- do not change the relative standing or otherwise prejudice other offers,
- do not change the meaning or scope of the RFP,
- are trivial, negligible, or immaterial in nature,
- do not reflect a material change in the work; or,
- do not constitute a substantial reservation against a requirement or provision,

If no offerors meet all the mandatory requirements of the Request for Proposals, or if sufficient funds are not available, or if other extenuating circumstances prevail, the Unified Government may choose to make no award and to submit a revised Request for Proposals to offerors at a later date or may choose to negotiate with those submitting proposals.

Section 2.02 *Supplemental Terms and Conditions*

Proposals including supplemental terms and conditions will be accepted, but supplemental conditions that conflict with those contained in this RFP or that diminish the Unified Government's rights under any contract resulting from the RFP will be considered null and void. The Unified Government is not responsible for identifying conflicting supplemental terms and conditions before issuing a contract award. After award of contract:

- [a] if conflict arises between a supplemental term or condition included in the proposal and a term or condition of the RFP, the term or condition of the RFP will prevail; and
- [b] if the Unified Government's rights would be diminished as a result of application of a supplemental term or condition included in the proposal, the supplemental term or condition will be considered null and void.

Section 2.03 *Discussions with Offerors*

The Unified Government may conduct discussions with offerors for the purpose of clarification. The purpose of these discussions will be to ensure full understanding of the requirements of the RFP and proposal. Discussions will be limited to specific sections of the RFP identified by the procurement officer. Discussions may only be held with offerors who have submitted a proposal deemed reasonably susceptible for award by the procurement officer. Discussions, if held, will be after initial evaluation of proposals by the evaluation committee. If modifications are made as a result of these discussions, they will be put in writing. Following discussions, the procurement officer may set a time for best and final proposal submissions from those offerors with whom discussions were held. Proposals may be reevaluated after receipt of best and final proposal submissions. Reevaluation will be limited to the specific sections of the RFP opened to discussion by the procurement officer.

Offerors with a disability needing accommodation should contact the procurement officer prior to the date set for discussions so that reasonable accommodation can be made.

2. Have at least one account representative with either at least five years' experience in cyber liability insurance or the designation of ARM or CPCU who provides services to the UG and

Section 2.05 Evaluation of Proposals

The procurement officer, or an evaluation committee made up of the procurement officer and at least two Unified Government employees, will evaluate proposals. The evaluation will be based solely on the evaluation factors set out in section eight of this RFP.

Section 2.06 Contract Negotiations

After completion of the evaluation, including any discussions held with offerors during the evaluation, the Unified Government may elect to initiate contract negotiations. The option of whether or not to initiate contract negotiations rests solely with the Unified Government. If the Unified Government elects to initiate contract negotiations, these negotiations cannot involve changes in the Unified Government's requirements or the contractor's proposal which would, by their nature, affect the basis of the source selection and the competition previously conducted.

The offeror will be responsible for all travel and per diem expenses related to contract negotiations.

Section 2.07 Failure to Negotiate

If the selected contractor

- fails to provide the information required to begin negotiations in a timely manner; or
- fails to negotiate in good faith; or
- indicates they cannot perform the contract within the budgeted funds available for the project; or

If, after notice of termination of BIDDER's right to proceed under the provisions of this clause, it is determined for any reason that BIDDER was not in default under the provisions of this clause, and both the Unified Government and BIDDER agree, the rights and obligations of the parties shall be the same as if the notice of termination had not been issued.

The Procurement Officer shall immediately furnish a copy of the decision to BIDDER by certified mail, return receipt requested, or by any other method that provides evidence of receipt. Any such decision shall be final and conclusive, unless fraudulent, or BIDDER brings an action seeking judicial review of the decision in the Wyandotte County District Court.

BIDDER shall comply with any decision of the Procurement Officer and proceed diligently with performance of this Agreement pending final resolution by the Wyandotte County District Court of any controversy arising under, or by virtue of, this Agreement, except where there has been a material breach of the Agreement by the Unified Government; provided, however, that in any event BIDDER shall proceed diligently with the performance of the Agreement where the Purchasing Director has made a written determination that continuation of work under the contract is essential to the public health and safety
