

SPECIAL CONDITIONS – PROJECT CONDITIONS AND REQUIREMENTS

PART 1 - GENERAL

- 1.1 SCOPE: This section lists specific conditions and requirements that are part of this Project. This project includes trail construction within Wyandotte County Park in Kansas City, Kansas.
- 1.2 WORK AREA AND SCHEDULE RESTRICTIONS: Wyandotte County Park will remain open to the public during the duration of the project. Therefore, the Contractor shall limit their disturbance of the park to the areas of Work shown on the Drawings. The Contractor shall coordinate with the Owner to identify storage areas, and all disturbed areas will be returned to original, or better, condition once the Work has been completed.
- 1.3 DAMAGE: The Contractor will be held responsible for all damage to existing equipment and other appurtenances, both above ground and below ground, because of his operations and shall repair, replace, or pay the Owner for repairing any damaged equipment or structures, or other appurtenances to the satisfaction of, and at no additional cost to, the Owner.
- 1.4 CLEANUP AFTER CONSTRUCTION: The project site shall be kept as clean, neat and orderly as possible at all times. Stockpiling of debris and unsuitable materials beyond normal working demands shall not be allowed. Final condition of the site must be acceptable to the Engineer prior to final payment.
- 1.5 ITEMS TO BE RETURNED TO OWNER: None.
