ADDENDUM NO. 2

**WYANDOTTE COUNTY LAKE RETAINING WALL REPLACEMENT
PROJECT I.D. B41758
October 29, 2025**

The following changes and amendments are made a part of the Contract Documents for **Wyandotte County Lake Retaining Wall Replacement**. All other items and conditions of the Contract Documents remain unchanged.

ADDENDUM NO. 2 CHANGES THE FOLLOWING:

CLARIFICATION - PLANS

1. General note 3 under SEGMENTED RETAINING WALL and the fourth note on sheet 4 state that the natural stone sizes are to vary similar to the existing wall. See the photo shown on sheet 5. Base bid for the natural stone wall is to include the variation in size. The contractor selected may submit an alternative stone for consideration once contracts have been finalized, however the contractor must be able to supply the base bid stone variation if the alternative is not selected.

QUESTIONS

1. Question - Clean dirt stays in the park, but does the park need any of the stone/excavation for erosion control or anything else?

Response – At this time, the park does not need the stone/excavation removed from behind the existing wall and is to be hauled off site for disposal. The park may alter that requirement after the project has started but for bidding purposes, the contractor is to dispose of the entire amount of excavated debris and removed vegetation.

THE ATTACHED SIGNATURE PAGE MUST BE COMPLETED AND RETURNED WITH YOUR PROPOSAL.

In other respects, except as specifically stated above, the subject Request for Proposal remains unchanged.

SIGNATURE PAGE

Proposers are asked to acknowledge receipt of this Addendum Number Two (2) regarding Bid B41758, by completing the information requested below and submitting this information with their proposal. Failure to do so may subject the proposer to disqualification.

ALL OTHER SPECIFICATIONS AND CONDITIONS REMAIN UNCHANGED.

RECEIPT OF THIS ADDENDUM IS HEREBY ACKNOWLEDGED
