Please find enclosed Answers to Questions Regarding RFP R31869

Question 1:

I was hoping to get clarification on page 79, Section 7.03 of the bid documents. For the four Shirts and two Pants listed on page 59, are these referring to the Company LS/SS Shirts and Trousers from the Specifications? I just wanted to make sure because they're listed separately from the other 5.11 items.

Answer:

These are for the shirt listed here: 71391 and 72515 on page 44

These are for the Trousers listed here: 74509 on page 45

Question 2:

Will the agency accept uniform substitutions?
Do you have manufacturer and part number for the Gear Bag?

Answer:

No substitutions for uniforms.

Gear bag can be substitute as long as it's the same dimensions.

Question 3:

On page 4 section 1.02 I noticed that the paragraph is referring to a golf course evaluation. I was just wanting to make sure I haven't received incorrect bid documents, since the rest of the RFP seems normal to me.

Answer:

Please disregard this, it was left over from a previous RFP.
