

ADDENDUM # 01

DATED: 10/5/2021

RFP 32174

Downtown KCK Commercial District & Historic Churches Multiple Property Documentation Form and Formation

The Purchasing Division must inform you of the following:

1. Are the 1-2 church nominations to be included in the \$51,000 project budget?
-The expectation of this project is to include both the formation of a Downtown KCK historic commercial district and a multiple listings designation for historic churches in and around Downtown KCK. There are multiple churches that could be eligible for the multiple listing. The expectation of this project is that all eligible churches will be included in the multiple listing designation, and at least one of those churches will be fully registered.
2. Has outreach been completed for the MPDF?
-The Unified Government's Landmarks Commission has created an Outreach Subcommittee that has begun some initial outreach efforts to property owners. This outreach is very minimal to date, but some collateral has been created on the economic benefits of a historic designation, and this Subcommittee will support the project's public engagement efforts.
3. Is there community/stakeholder support for the MPDF?
-No potentially eligible Downtown KCK church has been identified for the multiple listing designation portion of the scope of work. Identifying and working in collaboration with this willing property owner is a critical part of the project.

Please sign and date this amendment and return it, along with your Bid.
