

## **ADDENDUM # 01**

**DATED: 4/10/2023**

**R36487**

### **Automatic Wastewater Sampler Equipment**

*The Purchasing Division must inform you of the following:*

- 1. Who is the intended end-user of the automatic wastewater sampling equipment? The Water Pollution Control Division of the Unified Government. We are the division which deals with residential, commercial and industrial wastewater.**
- 2. Is there a need to have smart water quality triggers for the equipment? Not at this time. If it is an option, please indicate in case it is needed in the future.**
- 3. Approximately how many samplers will be purchased in the first two years of the contract? The estimated purchases include approximately 4 of the refrigerated units, 2 non-refrigerated units and 2 – 4 discrete units. Others may be purchased as needed.**

**Please sign and date this amendment and return it, along with your Bid.**
