Section 1.02 *Purpose*

The Unified Government of Wyandotte County/Kansas City, Kansas, Office of the Mayor is accepting competitive proposals from qualified individuals, firms, partnerships and corporations for the purpose of providing a two-year, 24-month, youth leadership and coaching services to support the Mayor's Youth Advisory Council. This will include facilitation of all Youth Council meetings, activities, events and projects.

Vendors providing such services must meet the requirements, as specified herein.

Solicitations from qualified minority, and women owned businesses, firms and individuals are encouraged by the Unified Government of Wyandotte County/Kansas City, Kansas. This encouragement does not infer preference and all solicitations will be evaluated equally.

Section 1.03 *Existing Environment*

The Unified Government of Wyandotte County/Kansas City, Kansas is a consolidated city/county government serving all of the citizens of the City of Kansas City, Kansas, and Wyandotte County. The City of Kansas City, Kansas is located entirely in Wyandotte County and, along with ten other Kansas and Missouri counties, makes up the Metropolitan Kansas City Region with a population of approximately 1.6 million. The Cities of Kansas City, Kansas and Kansas City, Missouri are separated by the Kansas-Missouri border and are independent of one another in all aspects.

Section 1.04 *Required Review*

Offerors should carefully review this solicitation for defects and questionable or objectionable matter. Comments concerning defects and objectionable material must be made in writing and received by the procurement officer at least ten days before the proposal opening. This will allow issuance of any necessary amendments. It will also help prevent the opening of a defective solicitation and exposure of offeror's proposals upon which award could not be made. Protests based on any omission or error, or on the content of the solicitation, will be disallowed if these faults have not been brought to the attention of the contracting officer, in writing, at least ten days before the time set for opening.

Section 1.05 *Protests and Appeals*

Any protest or appeal of the award of the Agreement must be in writing and received by the Director of Purchasing within seven (7) days of the County Administrator's decision. The written communication must list the specific areas of protest and suggested remedy. The decision of the Purchasing Director on any protest or appeal shall be final.

Section 1.06 Inquiries - Clarifications

Any questions regarding the Request for Proposal shall be directed in writing to the attention of the buyer via fax or email, to the Office of Procurement and Contract Compliance ATTN: kregan@wycokck.org Room 649, 701 North 7th Street, Kansas City, Kansas 66101. All questions must be received no later than the date established in the project timetable. Telephone conversations must be confirmed in writing by the interested party.

Two types of questions generally arise. One may be answered by directing the questioner to a specific section of the RFP. These questions may be answered over the telephone. Other questions may be more complex and may require a written amendment to the RFP. The procurement officer will determine the appropriate method to be used.

Section 1.07 Amendments & Addendums

Amendments and addendums will be made by addendum issued only to vendors known to have the Request for Proposal.

Section 1.08 Alternate Proposals

Offerors may only submit one proposal for evaluation. Alternate proposals (proposals that offer something different than what is asked for) will be rejected.

Section 1.09 Implied Requirements

By submission of the proposal, the Offeror certifies all services proposed meet or exceed all requirements as set forth in the Request for Proposals, unless the proposal specifically states otherwise. Any products and services that are not specifically addressed in the RFP but which are necessary to provide functional capabilities proposed by the offeror must be included in the proposal.

Section 1.10 Project Timetable & Contract Term

The Unified Government reserves the right without contest to accept or reject any proposals or alternate proposals. Offerors must comply with all of the terms of the RFP, the Unified Government Procurement Code, and all applicable local, State, and federal laws, codes, and regulations.

The procurement officer may reject any proposal that does not comply with all of the material and substantial terms, conditions, and performance requirements of the RFP.

Offerors may not restrict the rights of the Unified Government or qualify their proposal. If an offeror does so, the procurement officer may determine the proposal to be a non-responsive counteroffer and the proposal may be rejected.

Minor informalities may be waived by the procurement officer if determined that they:

- do not affect responsiveness,
- are merely a matter of form or format,
- do not change the relative standing or otherwise prejudice other offers,
- do not change the meaning or scope of the RFP,
- are trivial, negligible, or immaterial in nature,
- do not reflect a material change in the work; or,
- do not constitute a substantial reservation against a requirement or provision,

If no offerors meet all the mandatory requirements of the Request for Proposals, or if sufficient funds are not available, or if other extenuating circumstances prevail, the Unified Government may choose to make no award and to submit a revised Request for Proposals to offerors at a later date or may choose to negotiate with those submitting proposals.

Section 1.22 *Mistakes in Proposals Discovered Prior to Award*

At any time prior to the specified date and time for submission, an offeror may withdraw or modify a proposal prior to the established due date which is either the time and date announced for the receipt of proposals or receipt of modifications to proposals or if discussions have begun, it is the time and date by which best and final offers must be submitted provided that only offerors who submitted proposals by the time announced for the receipt of proposals may submit best and final offers. Any proposal modification must be in writing, executed by an authorized person, and submitted prior to the proposal submission date. The Unified Government will deal with mistakes in proposals:

- 1) **During Discussions: Prior to Best and Final Offers:** once discussions are commenced with any offeror or after best and final offers are requested, any offeror may freely correct any mistake by modifying or withdrawing the proposal until the time and date set for receipt of best and final offers;
- 2) **Minor Informalities:** Minor informalities unless otherwise corrected by an offeror as provided in this Section, shall be treated as they are under competitive sealed bidding;
- 3) **Correction of Mistakes:** if discussions are not held or if the best and final offers upon which award will be made have been received, mistakes may be corrected and intended correct offer will be considered only if:
 - a) The mistakes and the intended correct offer are clearly evident on the face of the proposal in which event the proposal may not be withdrawn; or
 - b) The mistake is not clearly evident on the face of the proposal, but the offeror submits proof of evidentiary value which clearly and convincingly demonstrates both the existence of a mistake and the intended correct offer, and such corrections would not be contrary to the fair and equal treatment of the other offerors.

Section 1.23 Mistakes in Proposals Discovered after Award

Mistakes shall not be corrected after award of the contract except where the Purchasing Director or the head of the User Department finds it would unconscionable not to allow the mistake to be corrected.

Section 1.24 Ownership of Reports, Drawings, Specifications, etc.

All reports, drawings, designs, specifications, notebooks, tracings, photographs, negatives, finding, recommendations, data and memoranda of every description relating to the services described herein and in completion thereof, shall be the property of the City.

Article II. Standard Proposal Information**Section 2.01 Authorized Signature**

All proposals must be signed by an individual authorized to bind the offeror to the provisions of the RFP. Proposals must remain open and valid for at least ninety (90) days from the opening date.

Section 2.02 Site Inspection

The Unified Government may conduct on-site visits to evaluate the offeror's capacity to perform the contract. Offerors must agree, at risk of being found non-responsive and having their proposal rejected, to provide the Unified Government reasonable access to relevant portions of their work sites. Site inspection will be made by individuals designated by the procurement officer at the Unified Government's expense.

Section 2.03 Supplemental Terms and Conditions

Proposals including supplemental terms and conditions will be accepted, but supplemental conditions that conflict with those contained in this RFP or that diminish the Unified Government's rights under any contract resulting from the RFP will be considered null and void. The Unified Government is not responsible for identifying conflicting supplemental terms and conditions before issuing a contract award. After award of contract:

- [a] if conflict arises between a supplemental term or condition included in the proposal and a term or condition of the RFP, the term or condition of the RFP will prevail; and
- [b] if the Unified Government's rights would be diminished as a result of application of a supplemental term or condition included in the proposal, the supplemental term or condition will be considered null and void.

Section 2.04 Discussions with Offerors

The Unified Government may conduct discussions with offerors for the purpose of clarification. The purpose of these discussions will be to ensure full understanding of the requirements of the RFP and

proposal. Discussions will be limited to specific sections of the RFP identified by the procurement officer. Discussions may only be held with offerors who have submitted a proposal deemed reasonably susceptible for award by the procurement officer. Discussions, if held, will be after initial evaluation of proposals by the evaluation committee. If modifications are made as a result of these discussions, they will be put in writing. Following discussions, the procurement officer may set a time for best and final proposal submissions from those offerors with whom discussions were held. Proposals may be reevaluated after receipt of best and final proposal submissions. Reevaluation will be limited to the specific sections of the RFP opened to discussion by the procurement officer.

Offerors with a disability needing accommodation should contact the procurement officer prior to the date set for discussions so that reasonable accommodation can be made.

Section 2.05 Prior Experience

In order for their offers to be considered responsive, offerors must provide evidence of prior experiences training and work with youth 15-18 years of age in leadership, coaching and skill building development.

A offeror's failure to meet these minimum prior experience requirements will cause their proposal to be considered non-responsive and their proposal will be rejected.

Section 2.06 Evaluation of Proposals

The procurement officer, or an evaluation committee made up of the procurement officer and at least two Unified Government employees, and members of the youth council will evaluate proposals. The evaluation will be based solely on the evaluation factors set out in section eight of this RFP.

Section 2.07 F.O.B. Point

All goods purchased through this contract will be F.O.B. final destination. Unless specifically stated otherwise, all the prices offered must include the delivery costs to any location within Wyandotte County, Kansas.

Section 2.08 Contract Negotiations

After completion of the evaluation, including any discussions held with offerors during the evaluation, the Unified Government may elect to initiate contract negotiations. The option of whether to initiate contract negotiations rests solely with the Unified Government. If the Unified Government elects to initiate contract negotiations, these negotiations cannot involve changes in the Unified Government's requirements or the contractor's proposal which would, by their nature, affect the basis of the source selection and the competition previously conducted.

The offeror will be responsible for all travel and per diem expenses related to contract negotiations.

Section 2.09 Failure to Negotiate

If the selected contractor

- fails to provide the information required to begin negotiations in a timely manner; or
- fails to negotiate in good faith; or
- indicates they cannot perform the contract within the budgeted funds available for the project; or
- the contractor and the Unified Government, after a good faith effort, simply cannot come to terms,

the Unified Government may terminate negotiations with the contractor initially selected and commence negotiations with the next highest ranked offeror.

- e. BIDDER shall assure that it and all subcontractors will implement the certificate of compliance in connection with this Agreement.
- f. If BIDDER fails, refuses, or neglects to comply with the terms of these contractual conditions, such failure shall be deemed a total breach of the contract and this Agreement may be terminated, canceled, or suspended, in whole or in part, and BIDDER may be declared ineligible for any further Unified Government contracts for a period of up to one year.
