### **8<sup>th</sup> Street Park – Park & Stormwater Improvements Project**

***The Purchasing Division must inform you of the following:***

1. Is the UG seeking a cost proposal or, is this a qualifications-based proposal? ***The UG is seeking proposals that are qualifications-based proposals.***
2. Section 1.19 States “Offeror to obtain property tax clearance certifications and submit with proposal.” We have reached out to Jackson County and Unified Government and both entities have stated they will not provide the completed form without a Notice of Award Letter. How can these forms be included in the proposal without a Notice of Award Letter? ***The forms do NOT need to be included with your submittal. The selected supplier will need to submit their Notice of Award letter in order to obtain the Core4 documents.***
3. Does each firm of the team need to submit the Core4 forms or just the prime? ***Only the prime would be required to submit those forms.***
