Please be advised of the following changes/clarifications to subject solicitation.

RFP Section 7.04 requires proposers to “Provide reference names and phone numbers for similar projects your firm has completed.” Should we provide separate references for each team member?

Answer

Contacts and a summary of the projects per team member.

Question

RFP Section 7.05 includes the phrase, “total number of hours at various hourly rates...” Could you clarify what you are looking for here? What does “various” mean?

Answer

Hourly rates should be listed by proposed team member or type of position. The term “various” is simply intended to convey that different rates may be proposed per team member.
